

PROMISES MADE, PROMISES KEPT

BIDEN'S ACCOMPLISHMENTS FOR IBEW MEMBERS

INFLATION REDUCTION ACT OF 2022

Creating Union Jobs

Generates work opportunities for tens of thousands of IBEW members across the energy economy

Building IBEW Power

Expands IBEW membership in traditional and renewable power generation, construction, and manufacturing

Investing in Workers

Includes strong labor protections in \$300 billion of tax credits for energy infrastructure projects

Holding Corporations Accountable

Provides penalties with teeth: Companies must pay \$10,000 per worker plus interest in fines for intentionally violating prevailing wage requirements
