 - To register to vote you must complete a voter registration application on paper or online at [RegisterToVote.ca.gov](#). When you register online, the system will search the Department of Motor Vehicles (DMV) database for your California driver's license or identification card number, date of birth, and last four digits of your social security number. If your information is found and you authorize elections officials' use of your DMV signature, an electronic image of your DMV signature will be added to your voter registration application after you click "submit" at the end of the online application.
 - If there is no signature on file with DMV, all of your information will be transmitted to your county elections office; you will just need to click "print," sign the paper application, and mail it. Your [county elections official](#) will contact you when your voter registration application is approved or if more information is needed to confirm your eligibility.
